Hometown Action Team Meeting
June 4, 2026

Attending: Mary Jo Cherveny, Larry Thomas, Karen Mixdorf, Denise Fletcher

Mary Jo is taking the lead on the Golf Cart Ride which will be a portion of a much larger community celebration. Her plan is to hold the community event at Sunny Hill's empty lot south of their building on September 9th with a rain date of September 23rd. People will need to bring their own lawn chairs.

She will have tents, grill hot dogs, hamburgers and provide sides. The Amish Bakery is sending the Pretzel Food Truck called "Pretzel Parade". Food will be served from 4-6 pm with music from 5-7 pm.

Mary Jo has already arranged to have Billy an Irish Drummer leading a sing along for 1 hour followed by Birdy a Nashville Recording Artist. Door prizes will be awarded. The City of Tama has a block party trailer with lawn games to be set up for the enjoyment of everyone attending. More activities to come.

How we can help!

- Dan Quigley suggested the carts leaving Sunnyhill, travel through the neighborhood to 14th Street to cross Hwy 63. If the stop light is installed, we could safely cross at 15th. A curb would be cut out to get to the sidewalk. Dan will coordinate with Tama PD to have someone there during the entire ride for everyone's safety.
- The HAT Team will attend the city council meetings to get their approval to close the trail on - Tama July 6th at 5:30 followed by Toledo on July 13th at 5 pm. Let me know if you are available and willing to attend one of these meetings.
- Sunnyhill staff (maybe with help from Dorothy) will develop the posters. We may help distribute them around town and to the area churches.
- Sunnyhill staff will also develop a post card for Karen to distribute during the monthly Wednesday food distribution and at the 5 Loaves meals.
- After we get the council's blessings, we can get a sign up sheet to Birkwood, Accura, Meskwaki Senior Center and CIRSI. Denise will make a soft contact so they have the dates in advance.
- Mary Jo will get an article in the newspaper with a number to call if you can't walk the trail and would like to have a golf cart ride that day.
- She will also ask Charlie Betz to include it on the My Hometown Tama page of Facebook.

- Karen will ask the Kiwanis members to help drive golf carts or help that day as needed.
- Larry Fletcher will ask members of the golf course to donate their time to drive their carts for the ride. We will need them to fill out a sheet for proof of insurance.
- Larry and Denise will drive the trail to time how long it takes to go to Cherry Lake and also to Toledo Heights.
- Once we have the interested riders, we can finalize a schedule for the rides. Sunnyhill's residence will probably go first at 1 o'clock so they can relax in their rooms before the meal begins.

NEXT MEETING IS AT SUNNYHILL ON WEDNESDAY, JULY 1ST AT 1:30.
